

SGS to Exhibit at the Fifteenth Annual GSA Expo

Siemens Government Services, Inc. (SGS), in conjunction with Siemens Building Technologies and Siemens Energy Automation Groups, will jointly exhibit at this year's International Products and Services Expo – or GSA Expo.

This annual conference is being held in San Antonio, Texas and is a free training conference and vendor exposition designed to aid federal, state, and local government employees along with military procurement decision makers. The 2009 Expo is expected to feature approximately 750 companies that hold current GSA contract vehicles.
