

SGS Chief Financial Officer to Speak at the 2009 Government Contract Accounting & Compliance Development Meeting

Siemens Government Services, Inc. (SGS) is pleased to announce that Craig Molyneaux, Senior Vice President and CFO, has been asked to present at the fifth annual Government Contract Accounting & Compliance Developments Meeting. Topics to be reviewed throughout this event include: contract compliance issues; GSA service contracting; accounting system implementations and challenges; regulatory updates regarding FAR/CAS issues; and the general economic outlook and what it means to government and industry.

This meeting held June 2, 2009 at the Ritz Carlton in Tysons Corner, Virginia is presented by The Greater Washington Society of CPAs. The event will feature speakers and panelists representing government contract practitioners and industry experts.
