

SGS to Exhibit at the Sixteenth Annual GSA Expo

Siemens Government Services Inc. (SGS), in conjunction with other Siemens Operating Companies, will exhibit at this year's GSA Training Conference & Exposition.

This annual conference being held May 4 – 6, 2010 in Orlando, Florida is the GSA's primary customer outreach event. This free training conference and vendor expo is specially designed for federal, state and local government employees, along with military personnel who manage programs or influence and make procurement decisions. The Expo will feature approximately 750 companies that all hold current GSA contract vehicles.

Be sure to be part of the action and stop by the Siemens booth!
